Questions to be answered before arriving:

1) Have you ever seen a Homeopath before? If so when, list any remedies taken:

2) Have you ever tried any form of alternative medicine or are you currently under any medical care from another physician?

3) Main reason for seeing a Homeopath?

4) Main complaint/main symptom, duration and intensity?

5) What is your ultimate goal in using Homeopathy?

6) Are you currently on prescription medication, taking supplements, or vitamins; if so what are they?

7) Alcohol use? Drug Use? Smoking?

8) Have you ever been hospitalized? If so when, for what, for how long?

9) Did you have any childhood illnesses? Asthma, allergies, ADHD etc...

10) Medical history?

11) Vaccination history? Last flu shot?

12) Do you exercise? If so, what do you do/when/duration?

13) List any minor complaints you have, issues, symptoms that might be associated with the main complaint (or not associated with it).
